Dear Ms. Hanley:

Thank you so much for your fully tax deductible gift of \$1,000.00 received on 11/19/2012.**

With your donation you have helped change someone's circumstances. Because of your partnership with Long Island Cares, a child drank a glass of milk, a mother fed her baby, an elderly man had a sandwich and a bowl of soup, a returning veteran had a hot meal. For a moment, hunger wasn't an issue and these people were just like anyone else.

Over 350,000 people living on Long Island depend on Long Island Cares every month for assistance. And we depend on people like you who share what they have with those who have little. You allow us the great privilege of serving as that bridge between those who need help with those who can help.

Thank you for joining us in our mission to ensure that more Long Island children and families do not go hungry and to give people the tools and help they need to get back on their feet.

We are truly grateful for your support.

Sincerely,

Paule T. Pachter, A.C.S.W., L.M.S.W.
