# HOPE FOR YOUTH

December 29, 2011

St. George University  
3500 Sunrise Hwy  
Bldg 300  
Great River, NY 11739

Dear Angela,

Thank you for your donation of assorted gifts for the children in our program during the 2011 Holiday Season.

Since 1969, Hope For Youth has been providing safe and nurturing homes for children and youth. Today, we serve children, youth and families from across Long Island in an array of foster care, residential, preventive and out-patient programs. Our successes are many, including adoptions of children by foster parents, families that are reunited and older youth that go on to college.

Your support helps us continue to meet the needs of the hundreds of children, youth and families we support within our programs. In addition to program enhancements, donations also support other provisions such as the annual children's awards dinner, children's birthdays and holiday parties, recreational trips, and educational stipends for college age program graduates.

Donated dollars, gift in kind items and volunteer services make a difference every day. On behalf of the Board of Directors, staff and especially the children, youth and families in the Hope for Youth programs, thank you again for your donation.

Sincerely,

  
Susan Lane, M. Ed.  
Director of Development

In December of 1969, Hope For Youth was granted 501(C) (3) status, therefore your donation is tax deductible to the maximum extent allowed by the IRS. Please seek guidance from your tax advisor.
