Dear USS Employees,

Penates would like to take this opportunity to say thank you so very much for donating school supplies. Penates has been in existence since 1992 and provides services to homeless families and singles in several different programs. Penates does not always have the means to purchase all the extra supplies that the children are required to have to start off the school year. We at Penates greatly appreciate your efforts and sincerely thank you for all you've done. Feel free to contact me should you need any assistance @ (631) 878-5398

With sincere thanks,
