Dear USS Cares,

Thank you for your donation of \$547 to the West Islip Breast Cancer Coalition for Long Island, Inc., received on May 7, 2012. This money will help assist women through our Lend A Helping Hand Program.

Our Lend A Helping Hand Program helps relieve some of the stresses and demands of everyday life for women who are undergoing chemo or radiation therapy, for breast or gynecological cancer, or who are post-operative breast cancer care without treatment.

This letter will serve as your receipt for tax purposes and certifies that you did not receive any goods or services in exchange for your donation.

Thank you again for your generosity. If you have any questions or concerns regarding this information, please call me at (631) 669-7770.

Sincerely,

Gina Marrone
