Uss Employees

January 6, 2015

Dear USS Employees,

On behalf of Penates homelless shelter for women I'd like to take this opportunity to thank you for your generous gift this past holiday season. Because of people like you, the clients we represent were able to enjoy a Christmas with fun filled memories. Without your heart felt contribution our clients would not have had much to celebrate. You have made a difference in the lives of the women we serve. Thank you so very much! May 2015 bring you an abundance of good health, wealth and happiness. With sincere gratitude we thank you.

Sincerely,

A handwritten signature in black ink that reads "Mary E. Benigno". The signature is written in a cursive style with a large initial "M".

Program Director
Mary E. Benigno
