To The USS Employees,

Penates would like to take the opportunity to thank you for thinking of the homeless women and children that we serve. Since, we are a not for profit organization it is difficult to raise money to help our homeless women, children and families. It is with sincere thanks to all of the individuals who went out of their way to help donate to Penates this holiday season. May all of the USS employees have a Happy and healthy new year!

Sincerely,
