Dear USS employees,

On behalf of Penates homeless shelter I would like to thank you for your generous donations of te children's back packs for school. Without your help our homeless children would have no school supplies. Your commitment to helping our agency is sincerely appreciated. The USS employees have gone over, above and beyond the past couple of years and have changed many homeless people's lives. Penates goal is to make a difference in the lives of homeless individuals. With the help of the USS employee's this goal is much more attainable. With sincere thanks we commend you for your commitment to helping homeless women and children.

With Gratitude,

Mary E. Benigno

Program Director
