### **Quarter 3 Board of Directors Meeting Minutes**

**Attendees: Greg H., Nicole M., Angela K.**

**9/9/2022**

- Our focuses have been on our annual Harvest Fest. As we near the event (Thursday 10/20) we are seeing a lot of interest in the event approaching, we have seen a great number of volunteers interested in assisting with the event as well as the number of baskets/descriptions coming in.
- At this time, we have several volunteers who are willing to help with setup/cleanup and selling tickets during the day. We have purchased additional tickets/supplies and continue to prep for the event.
