

Charitable Organization 501(c)3

Quarter 4 Board of Directors Meeting Minutes

Attendees: Greg H., Nicole M., Angela K.

12/2/2022

- USS Cares is excited that we had a wonderful turnout for our annual Harvest Fest and raised \$9000.00 for Morgan. Morgan and her family were in attendance and overjoyed by the support, not only in dollars, but also turnout.
- We will need additional supplies next year (tickets/pens)
- In the upcoming year, we will need to plan better to put baskets together, it was a lot happening the night before.
- It was suggested that next year, we put out a call not only for baskets, but individual items as well, as we may find we get additional donations that way.
- Currently we are promoting our annual Angel Tree for Penates shelter. We have been advised we are currently the only sponsor they have. We have again used our Amazon wishlist and venmo options. We are already seeing donations come into the office and are off to a very encouraging start to the holiday season!
